2019 Venue RFP

Meeting name: 'the EVENT'

Preferred Location: Hotel/Conference Centre in Montreal or Quebec City and surrounding area

Preferred Date: Thursday – Saturday, April 4 - 6, 2019

Estimated attendance: 300 participants

Decision date: Friday, April 6, 2018

Event Background: 2019 marks the second edition of MPI's the EVENT, an education event jointly organized and executed by the Ottawa, Toronto, and Montréal & Québec Chapters. Since this RFP is going out before the end of the first year, there is no history, however our forecast suggest numbers will near the 300 mark, with a 40/60% planner to supplier ratio.

Event Objective: Simply put, our goal is to do things differently. We want to challenge the "typical" conference format. We are not oblivious to the fact that there are many education and networking choices for meeting & event professionals to invest their resources. The EVENT will utilize peer to peer learning techniques and technology, creative meeting room designs, unique and tried and true session formats, all with the intent of fostering participant collaboration on existing ideas, the cultivation of new ideas, and the elevation of the meetings industry as a whole.

Attendee Profile: Open to all MPI members as well as non-members. Registration is available across Canada, however we expect the majority of attendance to come from the 3 host Chapters, which alone combine for close to 1,000 members. We also expect to have numerous destination and hotel sponsors from all across Canada. All those attending will be part of the meetings industry. The goal is to obtain a 50/50 planner/supplier ratio.

Overview of the event needs & format:

- **Plenary room for the full group (300)**
- **5 breakout rooms (50 pax each)**
- **Comfortable lounge areas for informal networking and braindates**
- **Plenty of open foyer space for F&B buffets, networking breaks, potential Partner displays/demos, and easy flow of participants between sessions**
- **F&B required for opening and 1:1 receptions, breakfast, lunch, and breaks both days set-up in the foyer (no meal room required)**
- **State of the art Audiovisual equipment and creative onsite technicians, and storage space**
- **Speaker ready room for out-of-town presenters**
- **Confirmed guestroom rate for all participants plus various concessions to help enhance the overall success of the EVENT**
- **The EVENT will bump up against Global Meetings Industry Day (GMID) event. Although not a requirement, please indicate if your venue can accommodate both events.**
